DECLARATION BY THE INSTALLATION CONTRACTOR

By signing below, I certify that the above information is true and accurate and I certify the following:

- The system consists of permanent links solely constructed with DYNAMIX Approved Certified Cabling products.
- All installation work/testing has been undertaken by a DYNAMIX Approved Installation Contractor, in accordance with the manufacturer's installation specifications and the Installation and Design requirements of the edition of the cabling Standard AS/NZS 3080, ISO/IEC1108 or ANSI/TIA/EIA-568C.2 current at the time.
- The location and designation of all installed links have been recorded on "as-built" floor plan drawings and a copy of these Installation Records, along with full test results have been supplied to the End User.
- All claims arising from this warranty are subject to the Terms and Conditions attached to this application and I understand the obligations.
- Within no more than 30 days from receipt of the written notification of a fault being detected by the End User, I will investigate the reported fault and will determine whether or not the fault is covered by the provisions of the DYNAMIX Certified Cabling System Warranty. Within this period I will undertake all measures to rectify the problem.
- Upon completion of the repair work undertaken as part of the warranty I will submit a Warranty Claim to Computer Dynamics Limited within 7 days of completion of the warranty work.
- I am authorised to approve and sign this document on behalf of the company.
