

# 7 IN 1 USB C 5Gbps HUB (H1118A)

With 4K HDMI and 100W Power Delivery.

*Human friendly*

**Description:**

This all-in-one USB C adapter features 1 HDMI port, 1 USB 3.0 port, 1 SD/TF card reader, 100W PD charging port, and 2 USB 2.0 ports, accommodating a variety of devices.

**Product Features:**

- **Clear Visual Enjoyment:** Mirror or extend your screens to a projector or monitor with a resolution up to 4K@30Hz via HDMI port, ideal for conference presentations, games or home theaters with excellent visual experience.
- **Hyper Transmission Speed:** The USB 3.0 port offers transfer speed up to 5Gbps which enables you to access files within seconds; SD and TF card slots support secure reading and writing speed for browsing photos instantly.
- **Super-fast Charging:** The 100W PD port provides a continuous charging speed to your computer at up to 100W without occupying the scanty ports, making sure you transfer files or stream media smoothly.
- **Compact Size:** Lightweight and compact, easy to fit into your laptop sleeve, bag or pocket. Portable size, plug and play, driver free.
