Design Advantage

Save Space

3-in-1 Cable Design
Save space on extension,
and save the time plug-in & out

Wide compatible

3 connector cover most of devices
Multi-devices user / for family

Design Advantage

Premium Materials

Finest Aluminium Connector
Soft to touch and elegant

Airflow Design Housing

Curvy design not easy break by inflexion, offer longer lifetime

Product Feature

3-In-1 USB Charging Cable (1.2M)

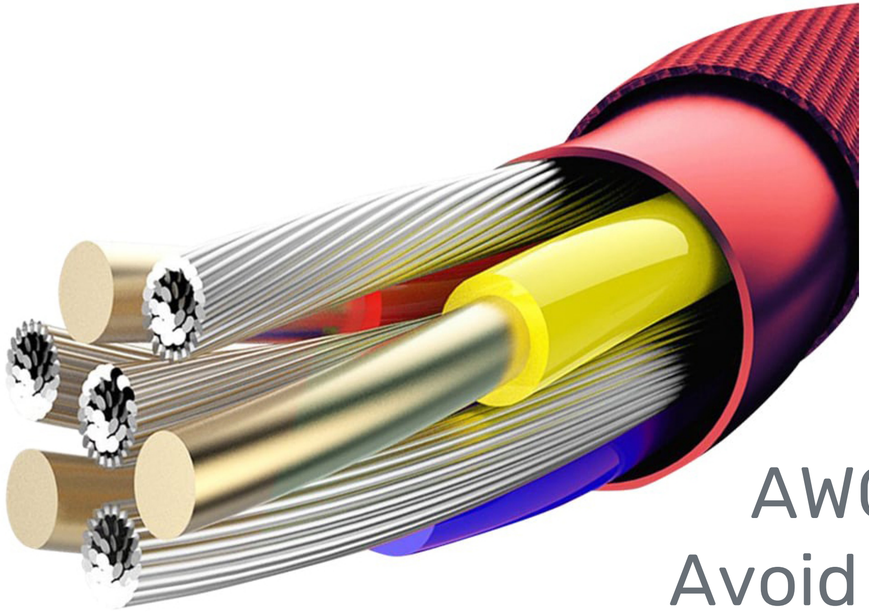
Stable Data Sync
with transfer speed 480Mbps

Support different device data sync
Convenience for plug-in and use

Product Feature

3-In-1 USB Charging Cable (1.2M)

American Wire Gauge
Tinned Copper



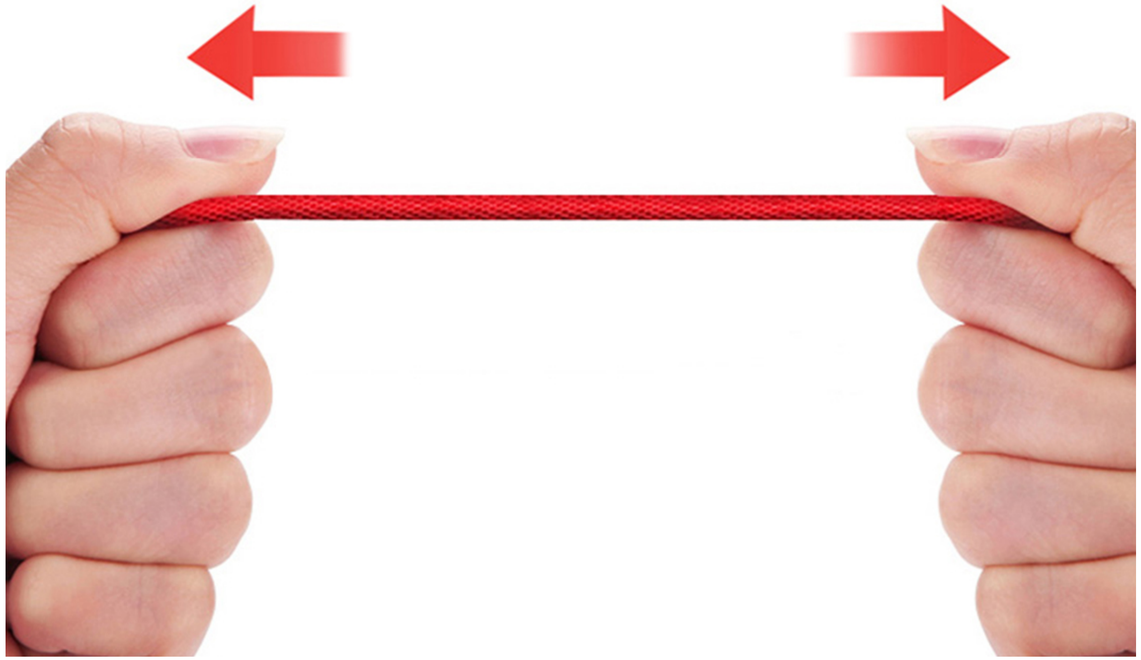
AWG stable wire load capacity
Avoid overheat, secure the battery

23 AWG copper offer stable,
High conductivity, safety power supply

Product Feature

3-In-1 USB Charging Cable (1.2M)

Braided Nylon Coating Cable



Enhance the Durability

Protect the cable from external tension

Specifications

Model	C14049BK	C4049RD
Color	Black	Red
Cable Length	1.2M
