DP 1.2 to HDMI 4K Cable 1.8M (V1608A)

Supports 4K@60Hz and HDR, DisplayPort to HDMI Unidirectional

Description:

This DisplayPort to HDMI Cable connects a computer, laptop, or other source device with DisplayPort to an HDMI television or monitor.

Product Features:

- **4K Video & Authentic Audio** - Supports resolution up to UHD 4K@60Hz and High-Definition Audio for a full range of audio types.
- **Unidirectional Cable** - DisplayPort to HDMI is NOT bi-directional. It only connects to a display with HDMI.
- **Stream with HDCP2.2** - Allows you to broadcast Netflix, DisneyPlus, or any other OOT contents which are digitally protected onto your monitor.
- **Clutter-Free Installation** - At 1.8m in length, this cable eliminates the need for excess adapters and cabling, ensuring a tidy installation.
