

-  **DATA & CHARGE**
-  **45W POWER DELIVERY**
-  **PLUG & PLAY**  
Connectivity Made Simple
-  **UNIVERSAL COMPATIBILITY**

Use your USB-C device with peripheral USB devices like a mouse or keyboard or connect USB flash drives to view & transfer data. Made from high-grade PVC & corrosion-resistant connectors, the OTGLink-C is designed to last longer than other cables and adapters. The 45W charging bridge lets you charge compatible USB-C devices at lightning speeds.

**OTGLink-C**

## On-The-Go Compatibility

Use your USB-C device with several USB devices, thanks to USB On-The-Go technology

## High-Speed Data Transfer

Transfer speeds up to 480Mbps let you stream or transfer data between your device & the connected peripheral in no time

## Superior Durability

Engineered using high-grade fabric coated PVC to ensure it is more robust and lasts longer than other cables and adapters

## Power Delivery

Charge your connected device at 45W speeds through the OTGLink-C adapter
