

Human friendly

# 8K Fiber Optic Full-Featured USB-C Cable (C14178ABK01-5M/10M/15M)

Delivering High-Speed 10Gbps Transfer, 8K@30Hz Video, 60W Power Delivery

Dimensions	41.37mm x 12.5mm x 9.0mm
Upstream	USB-C 10Gbps
Downstream	USB-C 10Gbps
Data Transfer Rate	10Gbps
Max. Video Resolution	8K@30Hz
Max. Power	60W (20V/3A)
Cable Length	5M/ 10M/ 15M
OD	6.5+01mm
Material / Color	Zinc alloy shell + TPE Jacket/ Black

Description:

Introducing UNITEK 8K Fiber Optic Full-Featured USB-C Cable, built for exceptional performance and reliability. 100% tested for electrical safety, it prevents short circuits and ensures stable connections. Enjoy up to 10 Gbps data transfer, stunning 8K@30Hz video output, and 60W reverse power delivery for easy charging. With advanced shielding to minimize interference and a durable TPE jacket that resists wear and tangling, this cable elevates your connectivity experience.

Product Features:

- **100% Tested for Electrical Safety:** Each cable is rigorously tested to prevent short circuits, open circuits, and intermittent connectivity, guaranteeing stable and reliable transmission.
- **10 Gbps High-Speed Data Transfer:** Supports theoretical speeds up to 10 Gbps, ensuring seamless performance for large data transfers, 4K media, and professional workloads.
- **8K Ultra-HD Video Output:** Delivers up to 8K@30Hz video resolution, providing stunning visual clarity and precision for high-definition monitors, projectors, and display extensions.
- **60W Reverse Power Delivery:** Supports up to 60W (20V/3A) reverse charging, enabling laptops to be powered directly from Type-C display devices, simplifying desktop setup and cable management.
- **Multi-Layer Shielding Design:** Features advanced electromagnetic shielding to minimize interference and maintain pure, distortion-free data signals.
- **Durable & Anti-Tangle TPE Jacket:** Built with a high-flexibility TPE outer layer that delivers excellent wear resistance, enhanced anti-tangle performance, and a smooth, soft-touch finish — ensuring long-lasting reliability.

Package Contents:

1 x 8K Fiber Optic Full-Featured USB-C Cable

Pieces/Carton:

20 pieces/ carton (C14178ABK01-5M); 10 pieces/ carton (C14178ABK01-10M)  
10 pieces/ carton (C14178ABK01-15M)
