Supports 40Gbps Data Transfer & 8K@60Hz.

Description:

UNITEK All-in-One Portable Keychain USB4 Cable supports up to 240W Power Delivery (PD), 40Gbps data transfer, and 8K video output at 60Hz, making it ideal for demanding tasks. Its tangle-free design facilitates easy storage and portability, while the plug-and-play convenience ensures seamless connectivity for all your devices. Perfect for work, travel, and everyday use, this USB4 cable is an essential accessory for anyone on the go.

Product Features:

- **Keychain Design:** This lightweight cable features an integrated design for easy attachment to keys or backpacks. It offers instant connectivity to phones, tablets, and laptops—anytime, anywhere—keeping your setup neat and clutter-free.
- **8K Video Transmission:** Supports up to 8K resolution at 60Hz for ultra-clear, fluid visuals without ghosting or lag. Perfect for extending displays, conducting projection meetings, or enjoying cinematic home entertainment.
- **40Gbps Ultra-Fast Data Transfer:** Delivers dual-channel 40Gbps transfer speeds for effortless handling of large files. Fully compatible with Thunderbolt™ 4, USB4, and PD3.1 standards—ideal for professional creators and high-efficiency workflows.
- **High-Power Fast Charging:** Supports the PD3.1 protocol with up to 240W (48V/5A) output, enabling rapid charging for laptops, tablets, and smartphones. Backward compatible with PD3.0/2.0 for universal charging flexibility.
- **Robust Connector Design:** Features a corrosion-resistant plated USB-C connector to minimize signal loss and oxidation. Ensures ultra-stable data transmission and long-lasting durability under frequent use.
- **Eco-Friendly TPE Jacket:** Encased in a flexible, wear-resistant TPE (Thermoplastic Elastomer) material that withstands bending and pulling. Smooth to the touch, tangle-free, and built to extend the cable’s lifespan while maintaining a clean, minimalist look.
