4 Ports USB-C Powered Hub (H1336BBK)

Support USB SuperSpeed 5Gbps.

Description:

The UNITEK 4 Ports USB-C Powered Hub offers four high-speed ports for connecting keyboards, mice, and external drives. Each port supports transfer speeds of up to 5 Gbps. Its compact design is travel-friendly, and plug-and-play functionality ensures easy setup.

Product Features:

- **5Gbps Data Transfer Speed:** Complies with USB 3.0 specifications, delivering data transfer speeds of up to 5Gbps. Backward compatible with USB 2.0 and 1.1.
- **Powerful 5V Power Adapter:** UNITEK 4 Ports USB-C Powered Hub includes a reserved USB-C 5V power supply interface, allowing connection to an external 5V 2A power supply. This ensures the normal operation of high-power USB devices, such as hard drive enclosures, PHDDs, PSSDs, and others. **LED Indicator light:** When you insert a USB device, the blue LED light will illuminate, making it easy to know the working status.
- **Universal Compatibility:** This USB-C powered hub supports hot-plugging and plug-and-play functionality, requiring no driver installation. Compatible with Windows, Linux, iPadOS, iOS, Android, and macOS.
- **Portable Plug & Play:** Compact and stylish, this hub is easy to transport. Simply plug it in—no driver installation needed.

Note: The power adapter is not included in the package.
