Adjustable Laptop Stand with Detachable Cooling Fan (OT1098AGY)

With 360° Rotating Base, Adjustable Height, Ergonomic Design and Tilt Functionality.

Description:

UNITEK Adjustable Laptop Stand with Detachable Cooling Fan is designed for seamless screen sharing and enhanced collaboration. Its adjustable height allows you to easily share your screen with someone sitting across the room, making it perfect for brainstorming sessions or video calls. The integrated cooling fan ensures optimal airflow for your laptop, keeping it cool during long work sessions. Elevate your productivity and collaboration with this versatile and functional laptop stand.

Product Features:

- **360° Rotation:** This Adjustable Laptop Stand features a 360-degree swivel and tilt design, providing infinite viewing angles while securely holding your laptop in place.
- **Detachable Cooling Fan:** Experience optimal performance with our magnetic detachable cooling fan. It efficiently dissipates heat, preventing your laptop or tablet from overheating during intense work or gaming. Easily power it by connecting the included USB-A to USB-C cable to your laptop's USB-A port or a 5V USB-A power charger.. Say goodbye to thermal throttling and hello to a cooler, more productive workspace.
- **Built to Last:** Constructed from high-quality aluminum alloy, this stand supports up to 4.5 kg, ensuring a stable setup. While foldable joints may loosen with regular use, you can easily adjust tightness with the included Hex Key and Socket Wrench.. Enjoy peace of mind knowing your workstation is both robust and adaptable!
- **Ergonomic Design:** Elevate your comfort with our thoughtfully crafted ergonomic design. Users can effortlessly raise the screen to the ideal height, promoting better posture and reducing strain on the back and neck. Enjoy long hours of work or study without discomfort, and transform your workspace into a hub of productivity and well-being.
