Qualcomm® Quick Charge™ 3.0

PowerDrive-RCi81

Stay powered up on the road with the PowerDrive-RCi81 from Promate, designed to keep all your devices charged efficiently and quickly. With 81W of total output, it includes a 36W USB-C port and an 18W USB-A port for fast charging. The retractable PD45W and PD27W Lightning cables help reduce clutter, while the heat-resistant construction ensures long-lasting durability. Featuring surge protection, temperature control, and short circuit protection, it offers safety and reliability for your charging needs. Compact and powerful, the PowerDrive-RCi81 is the ideal car charger to keep you connected on every drive.

## 81W Multi-Port Car Charger

Power all your devices simultaneously with a total output of 81W. Featuring multiple ports for efficient charging on the go.

**80 CM** BUILT-IN  
Retractable  
Cables

## 36W USB-C Fast Charging Port

Charge your USB-C devices rapidly with the dedicated 36W port. Enjoy fast, efficient power for your phones, tablets, and more.

## 18W USB-A Rapid Charging Port

Keep your USB-A devices powered up quickly with 18W rapid charging. Ideal for older devices or when you need a quick boost.

## Retractable 45W PD USB-C Cable

A convenient, retractable 45W USB-C cable for easy storage and efficient charging. Tangle-free and built to last.

## Retractable 27W PD Lightning Cable

The retractable 27W Lightning cable allows for quick and organized charging. Its compact design ensures no more cable mess.

## Mini Design

The compact design of the PowerDrive-RCi81 makes it easy to carry and store. Perfect for on-the-go charging without taking up space.

## Heat Resistant

Built with heat-resistant materials for added durability and safety. Charge with peace of mind, even during extended use.

## Comprehensive Safety Features

Surge protection, temperature control, and short circuit safeguards keep your devices safe from power spikes, overheating, and faulty connections.

### Specifications:

Input:	12V~24V
Output:	
USB-C Port:	5V/3A, 9V/3A, 12V/3A (36W)
USB-A Port:	5V/3A, 9V/2A, 12V/1.5A (18W)
USB-C Cable:	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A, (45W)
Lightning Cable:	9V/3A, (27W)
Cable length:	80cm
Total Output:	81W
