ProPods

Experience a cascade of sound, texture, and detail with ProPods. These true wireless earbuds offer the best listening experience with IntelliTouch sensors and dynamic drivers that produce high-fidelity audio. ANC technology provides optimal noise cancellation in real-time, surrounding you with theater-like sound. The sleek design of these earbuds and 30-hour playback is the perfect solution for all-day comfort-driven usage. Built-in ENC microphones, amplify your voice, providing a crystal-clear calling and listening experience. Cancel out all manner of distractions and revel in music with ProPods.

Superb True Wireless Stereo Sound:

These dynamic TWS earphones delivers powerful bass, mellow midrange, and precise treble, producing crystal-clear music, with complete wireless freedom.

Active Noise Cancellation:

Equipped with a highly effective ANC system that blocks out background noise ProPods does a great job in reducing environmental noise.

ENC Noise Reduction:

Boasting a built-in high-quality mic in both earbuds and environmental noise cancellation technology, ProPods provides crystal clear conversations.

Quick Pairing:

Both earbuds will automatically connect to your phone, and will auto-connect with quick pairing, after the first time.

IntelliTouch Control:

Manage audio playback and other functions with just one touch as ProPods offers IntelliTouch controls.

Extended Battery Life:

Get up to 5 hours of music playback time per charge and up to 25 hours with the charging case.

Comfort Fit Design:

Ergonomically designed to fit comfortably and stay steady on your ears, ProPods can be used for as long as you want.
