USB-C ENCLOSURE DOCKING STATION (S1234B)

For M.2 PCIE/ NVME & SATA 2.5/ 3.5" SSD & HDD.

Description:

Reliably read and write your 2.5"/3.5" SATA SSDs/HDDs and M.2 PCIe SSDs with UNITEK USB-C Enclosure Docking Station, users can access both SATA and PCIe interfaces same time for efficient operations.

Product Features:

- **Same-time Access:** UNITEK USB-C Enclosure Docking Station supports single and dual-drive modes, enabling simultaneous access to both PCIe (also M.2 PCIe) and SATA drives. It is compatible with both 2.5" and 3.5" size.
- **Unleash Speed and Compatibility:** Experience the power of up to 10Gbps high speed data transfer, backward compatible with previous USB-C interface. This enclosure docking station supports M.2 drives in 2242, 2260, and 2280 form factors.*
- **Super Cooling Power:** This product features an intelligent active fan cooling design which intelligently turns on the fan to cool down the hard drive when temperature surpasses 45°C.
- **Plug & Play:** UNITEK USB-C enclosure docking station supports hot-swapping with no drivers required. Enjoy hassle-free, tool-less installation at all time.
- **RGB LED Lights:** This docking station has few areas decorated with LED lights to keep users informed about working status at all time. At the sides, there are two RGB LEDs that light up when power is connected and change randomly at stand-by mode.
- **Working Status Lights:** At the base of the docking station, there are 2 indicator lights which lights up when the corresponding hard drive is inserted and blinks when the hard drive reads/writes. The light will automatically turn off after 30 minutes of inactivity.
- **Compatible Systems:** This docking station is compatible with a wide range of operating systems, including Windows 10/11, Mac 10.5 or later, and Linux. Enjoy seamless connectivity across different platforms without any compatibility concerns.

*Native NVMe support is available for Windows versions 8.1 and above. Windows 7/ 8 may require an additional patch.

Package Contents:

1 x USB-C Enclosure Docking Station; 1 x 12V 2A Power Adapter; 1 x USB-C to USB-C cable 1M; 1 x User Manual.

Pieces/ Carton:

10 pieces/ carton

Dimensions	62.5mm x 161.0mm x 99.0mm
Transmission Rate	USB 10Gbps
DC Power	12V 2A Power Adapter
Cable Length	100cm
Material/ Colour	ABS Housing/ Black
