SolidForce Smart Anti-Loss M.2 SSD Enclosure (S1251A)

Supports USB SuperSpeed 10Gbps. Built-in with Find My Network feature.

Description:

UNITEK SolidForce 10 Gbps Anti-Loss M.2 SSD Enclosure is the perfect safety solution for your SSD. Dual port compatibility supports transfer speeds of up to 10 Gbps. With the Find My Network feature, your personal data will never be lost and will remain safe in your hands. The smart anti-loss feature prevents misplacement by sending timely alerts if the device is left behind, ensuring peace of mind.

Product Features:

- **Find My Network:** Seamlessly track your SSD enclosure using Apple’s official Find My app for a premium user experience. This feature prevents accidental loss when the SSD enclosure is left behind after use in different locations. Locate your SSD enclosure quickly with the built-in sound alarm. Stay Connected, Stay Secure – Your Data Deserves the Best Protection!
- **Smart Anti-Loss Protection:** Equipped with Bluetooth 5.1 (BLE) 2.4GHz technology supporting RSSI/AoA/AoD multi-mode positioning. Features includes instant pop-up separation alerts, last-known location recording in the app with navigation guidance, and an audible buzzer alarm for easy retrieval. Powered by a CR2032 battery cell with one year long last life, eliminating frequent battery replacements.
- **10 Gbps High-Speed Transmission:** UNITEK SolidForce 10 Gbps Anti-Loss M.2 SSD Enclosure supports upstream transfer speeds of up to 10 Gbps and is compatible with 5 Gbps USB 2.0 transfer speeds. Additionally, it supports SSD TRIM and UASP acceleration, optimizing read/write speeds for ultra-fast data transfers. It fully utilizes PCIe 3.0 and NVMe SSD performance.
- **Flexible Port Connection:** Including a 30cm 10Gbps USB-C to USB-C cable with USB-A adaptor It offers unparalleled flexibility and great convenience for end user to choose either USB-C or USB-A port to connect their personal devices for easy data transfer.
- **Universal OS Compatibility:** Supports seamless connectivity and data transfer across Windows, macOS, Linux, Android, and iPadOS without the need for additional drivers.

Package Contents:

1 x SolidForce Smart Anti-loss M.2 SSD Enclosure; 1 x 30cm 10Gbps USB-C to C/A Cable; 1 x Silicone Thermal Pad; 1 x Aluminium Heat Exchanger; 1 x User Manual

Pieces/ Carton:

20 pieces/ carton

Dimensions	128mm x 38mm x 16.5mm
Upstream	USB-C
Downstream	NVMe/ PCIe M.2 SSD
M.2 SSD size	2230/ 2242/ 2260/ 2280
Transfer Speed	10Gbps
Battery type	CR2032 DC3V battery cell
Wireless connection	Bluetooth Low Energy 5.1 & 2.4G for Find My app
LED	1 x blue/green dual color; Blue: Powered on (solid light); Read/ Write status (flashing); Green: Anti-loss tracking status
Cable Length	30cm
Material/ Colour	Aluminium Alloy/ Space Grey
