

Hi-Res Audio

Hybrid ANC Over-Ear Headphones

Triple Connectivity

Serene-2

Serene-2, a state-of-the-art headset, delivers premium sound with hybrid ANC offering up to -40dB noise reduction. Its 40mm Hi-Res drivers provide clear audio, deep bass, and an immersive soundstage. Enjoy triple connectivity—Bluetooth 5.4, 2.4GHz dongle, and wired—plus ultra-low 30ms latency for gaming and calls. The flip-to-mute ENC mic ensures clear voice pickup, while Transparency Mode keeps you aware of your surroundings. The 1000mAh battery offers up to 100 hours of playtime (50 hours with ANC enabled) and fast charging. Built for comfort and durability, Serene-2 features an ergonomic, lightweight design with plush ear cushions and premium zinc alloy/PU materials.

Block the World, Embrace the Sound:

Hybrid ANC cancels up to -40dB of background noise, letting you immerse fully in music, calls, or gaming without distractions.

All-Day, All-Week Power:

Massive 1000mAh battery provides 100 hours of playtime, ensuring endless entertainment and productivity with less downtime for charging.

Crystal-Clear Calls Anywhere:

ENC microphone with flip-to-mute design ensures professional-grade clarity during calls and seamless MS Teams compatibility.

Lag-Free Gaming and Streaming:

2.4GHz dongle delivers ultra-low 30ms latency, keeping audio perfectly synced with visuals for an enhanced experience.

Immersive Hi-Res Audio:

40mm drivers with deep bass and wide soundstage provide stunning clarity and richness across all music genres.

Stay Aware with Transparency Mode:

Switch instantly from immersive listening to environmental awareness without removing your headphones.

Fast Charging, More Listening:

Quick top-ups keep you powered for hours with just minutes of charging, perfect for busy lifestyles.

Ergonomic Comfort for Long Wear:

Lightweight frame, plush cushions, and adjustable fit make long listening sessions fatigue-free.

Premium Build, Lasting Durability:

Crafted from zinc alloy, ABS, and PU for a sleek, stylish look and rugged daily reliability.

Multi-functional Digital Crown
