Description:

Say goodbye to clutter with the UNITEK SnapHold Magnetic Cable Clips with Base! These innovative clips effortlessly manage your cables, featuring a powerful adhesive base that leaves no residue. With ultra-strong magnets, they securely grip cables up to 7.5mm thick, ideal for home, office, or travel. Repositionable and reusable, these clips protect surfaces while offering flexible organization. Each kit includes 3 magnetic clips and 1 adhesive base, giving you everything you need for effective cable management.

Product Features:

- Adhesive Base with No Glue Stain:** Embrace a sleek, clutter-free environment! The base of UNITEK SnapHold Magnetic Cable Clips securely holds up to 3 magnetic clips, ensuring your surfaces remain spotless and pristine.
- Sophisticated Rotating Shaft:** UNITEK SnapHold Magnetic Cable Clips Kit feature a sophisticated 180° rotating shaft and a magnetic locking cord design, helping you easily snatch a cord off or add a cord effortlessly.
- Ultra-Strong Adhesive & Magnet Combo:** Keep your cables exactly where you want them! Our clips feature powerful and robust magnets, gripping cables up to 7.5mm thick with ease. Enjoy peace of mind knowing your cords are secure and residue-free, even when it's time to move them.
- Reusable & Damage-Free Design:** Flexibility meets functionality! Our cable clips are designed for easy repositioning, allowing you to rearrange without damage. Experience the freedom of clean removal—no sticky mess, just a tidy space whenever you need it.
- Versatile Usage Scenarios:** UNITEK SnapHold Magnetic Cable Clips are perfect for any environment! Use them to organize phone chargers on your desk, manage HDMI and USB cables behind your entertainment center. Whether at home, in the office, or on the go, these clips keep your cables neatly stored and easily accessible.
