UNITEK

Human friendly

150M USB Extender Over Ethernet with 4-Port Hub(U1222ABK)
USB-C Host Compatibility. Connect Up to Four 480 Mbps USB-A Devices.

Description:

The UNITEK USB Extender Over Ethernet with 4 Port Hub enables seamless USB transmission over long distances, making it ideal for multimedia conferences, educational settings, industrial applications, and medical equipment. With reliable performance, it facilitates remote USB control and multimedia display, ensuring efficient connectivity and interaction in various environments.

Product Features:

- **Long Range 150M USB Extension:** UNITEK USB Extender Over Ethernet extends USB signals up to 150 meters over a single Cat6 cable, supporting high-speed data transfer of up to 480Mbps.

- **Universal Compatibility:** Works seamlessly with all operating systems, including Windows, macOS, Android, and Linux, as well as USB 1.1 peripheral devices.

- **High-Speed Data Transmission:** Provides stable 480Mbps high-speed transmission for various applications, including PCs, webcams, gaming, CCTV cameras, video conferencing, and surveillance systems. Supports two webcams simultaneously for enhanced functionality.

- **Supports Up to 4 Devices:** The 4-Port USB-A receiver enables connections for up to 4 downstream devices, including printers, scanners, webcams, USB drives, gamepads, keyboards, and mice.

- **Power Over Cable (POC) technology:** The single-sided power supply on the receiver can meet the power requirements of the entire setup without complex cables or drivers, making it easy to use. Safe and reliable with low voltage transmission (5V).

- **Plug and Play:** Simple setup solution for this USB extender over Ethernet. No additional drivers need to be installed. Enjoy high-speed USB signal transmission in minutes.

- **Easy Installation with Mounting Holes:** Both the transmitter and receiver feature mounting holes and ears for straightforward installation, allowing for convenient wall mounting to save space.

Package Contents:

1 × USB Extender Over Ethernet with 4 Port Hub; 1 × USB 480Mbps Ethernet Receiver;
1 x 1m USB-A to USB-C Cable; 1 × DC 5V Power Adapter; 1 x User Manual.

Pieces/ Carton:

20 pieces/ carton

Dimensions	106.0mm x 118.0mm x 20.0mm
Upstream	1 x USB-C Port; 1 x RJ-45 Port
Downstream	4 x USB-A Ports; 1 x RJ-45 Port
RJ45 Standard	T568A/ T568B CAT6 U/ FTP
USB Extension Range	Up to 150M with Ethernet cable
System Compatibility	Windows 7/ 8/ 8.1/ 10/ 11/ macOS/ iOS/ Android/ Linux
Material/ Colour	Aluminium Alloy/ Black
